BRONWYN COX: OLYMPICS POSTPONED, BUT THE TRAINING CONTINUES

Bronwyn Cox was selected in the Australian Women's 8 for the 2020 Tokyo Olympics. With the unfortunate onset of COVID-19, the National Training Centre in Penrith, NSW was closed.

Bronwyn moved back to Perth for a rejuvenating 12 weeks with family and friends before returning to Penrith and continuing her training.

With three training sessions six days each week, Bronwyn travels out to Sydney to meet friends on every Sunday she can. She has a competitive and supportive training environment with the women's team and is re-trialling for her spot in the 2021 team.

She looks forward to racing opportunities before the 2021 Olympics in Tokyo. Travel permitting, the team will compete in the upcoming World Cups and Championship before racing in Japan.

Every UWABC member supports Bronwyn's exceptional work ethic and we look forward to seeing her on the start line in the coming months.

ACKNOWLEDGEMENT OF SUPPORT

During 2020, the WA State Government through the Department of Local Government, Sport and Cultural Industries and Lotterywest became a major supporter of the University of Western Australia Boat Club. Sport and recreation builds stronger, healthier, happier and safer communities.

*We welcome all contributions to the Future Fund:

2020: A YEAR OF ADAPTING

Bouncing back from COVID-19, UWA Boat Club is back in the boat

In a challenging year for people across the globe, we have worked hard to retain university students and members of the community to healthy eating and exercise.

International Representation

Olympic hopeful and Club member Bronwyn Cox was selected in the Australian Women's Eight. Due to the COVID-19 pandemic, all national and international events were cancelled, including the 2020 Tokyo Olympics. She is continuing her training into 2021 for a renewed Olympic campaign.

Club Awards

Over the 2020 season, Rowing WA promoted participation at all levels in the regatta season and chose to not award pennant points for the 2020 season.

Welcome to our new High-Performance Coach

The Club welcomed new high-performance coach Ethan Aird in 2020, after the departure of previous coach Stefano Balosso. Ethan has been a high performing athlete over many years at UWA Boat Club and we look forward to him joining the coaching team and leading the squad to Nationals at Lake Barrington, Tasmania in 2021.

Forrest Hall

The construction of the second Forrest Hall building has continued in 2020. The Boat Club has been assured uninterrupted boat trailer access to the Boat Shed for transporting equipment to and from regattas during construction and upon completion. The University is awaiting Ministerial approval to construct a new boat ramp from the concrete apron to the water's edge. Finally, a dive report in late 2019 identified structural defects in the pontoon and replacement of the substructure was approved in February 2020. Given the pandemic, the University has postponed the pontoon project along with many other projects on campus indefinitely. However, the pre-approval means that the substructure will be one of the first projects tendered when the University recommences their spending programs.

Australian Bush Fire Relief and Shenton College

Congratulations to George White and the Shenton College Rowing Program for organising a bush fire appeal in early February 2020. A 24-hour ergathon was held at the school which raised over \$3,500 for the CFA & Brigades' Donations Fund and the NSW Wildlife Information, Rescue, and Education Service Inc. Most donations were from the Shenton community and was an excellent promotion of our rowing culture and led to student recruitment at the commencement of the school year. In addition, we are now a KidSport-eligible Club. KidSport is a WA State Government initiative to assist low income families in covering membership fees in local community sports.

Thanks

We would like to thank Lotterywest for their contribution to maintaining our program during the pandemic. We also thank Michael Hawkins, who was one of the Boat Race Officials who adjudicate our regattas. Without his volunteering, our regattas could not happen. Our Club is proud of our members volunteering in the community.

UWA – UWA Sports – UWA Boat Club Partnership

Our partnership continues to improve with UWA Sports committed to supporting successful UWA sporting clubs. We are in regular communication with the UWA Sports Students' Council and other UWA Sports Club Presidents. They are supportive of all clubs' visions to serve UWA students and the wider community around the Nedlands campus. We have been offered large discounts for a limited number of UWA Gym memberships to promote our high-performance program.

ROWING CONTINUES DESPITE PANDEMIC

State Championships

Congratulations to all members who competed at the Masters, All-Schools and Pennant State Championship events this season. We were successful in achieving state titles in all events with a total of ten state championships over the three regattas.

All Schools State Championships

There were multiple podium results at this regatta. Well done to all the students who trained hard over the disrupted and shortened season. Thank you to all the coaches for their time over the All Schools season and congratulations on the results. Congratulations to Shenton College Year 12 student Blake Whyatt on his win in the Open School Boys' Single Scull.

Masters State Championships

It was a successful regatta for the UWABC Masters squad with all crews finishing on the podium. This season was significantly disrupted for our Masters athletes with the change to hold State Championships in May and the Masters National Championships cancelled due to COVID-19. Congratulations to the strong group of Masters athletes we have winning five state championships for UWABC in the MMA/D2-, MM8+, MM4-, MWF/M2x and MX8+.

Figure 1: The winning Masters' Mixed 8+.

Pennant State Championships

The state championships weekend was successful for UWABC with athletes from all squads competing across all divisions. Thank you to all the coaches for setting up our athletes to compete at their best over the weekend. A total of four state titles were won over the weekend in the WC4+, WC2-, MC2- and WC2X.

Bunbury Regatta

This year UWABC were one of two clubs that made the journey to compete at the Bunbury sprint regatta. The regatta was largely successful with UWABC finishing in top position in multiple races. Big thank you to Ethan Aird and Lachlan Chapman who, in difficult circumstances, helped reorganize crews on the day with Rowing WA.

Nationals 2020

Unfortunately, due to COVID-19 the Australian National Rowing Championships were cancelled for 2020. The squad who trained over summer was one of the largest seen in recent years and, in combination with representatives from the Shenton College Rowing Program, UWABC would have been well represented at the regatta.

A total of seven athletes were selected for state crew representation. Congratulations to the following members:

King's Cup: Fraser Pensini, Benjamin Davidson, and Maximillian Montanari

Queen's Cup: Bronwyn Cox

Women's Youth 8: Clare Netherway

Victoria Cup: Pascale Ketelaar and Lydia Almeida

Figure 3: Andrew Lewin and Harry Cooke

Figure 2: Hannah Page and Zoe Hughes.

Volunteer Coaches

This season we had a total of 15 volunteer coaches across the five squads. All squads showed significant development over the shortened season with accelerated programs the key to this development. During the lockdown period club members were set land training programs to stay motivated and keep fit. Thank you to all the coaches who volunteered their time over the season. During 2019-20, the Club was voluntarily coached by Kye Binyon, Chris Morley, Blake Hillier, Ethan Aird, Tom Lymburn, Lachlan Chapman, Dylan Foppa, Mason Sullivan, Alistair Cadee, Riley Freeman, Fraser Pensini, Simon Tomlinson, Emily Hoare, Michael Glorie, and Dayne Metzner.

We are also fortunate to have the 15 Shenton College Rowing Program coaches coordinated by George White. During 2019-20, the coaches were Matt Randall, Harry Cooke, Kelvin Fewings, Chris Morley, Jack O'Dea, Jonathan Jaschke, Tim Piggford, Myles Kelly, Maguire Walsh, Savannah Schild, Lara Glendinning, Jamie Barton, Joely Patterson, and Abbie Kozlowska.

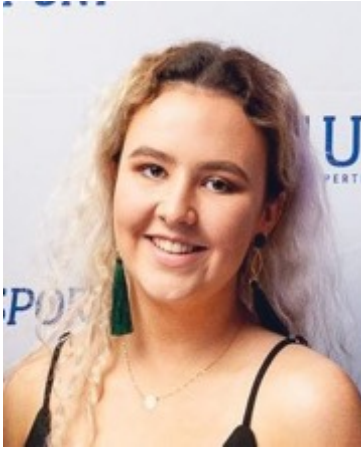

Training Venues

All athletes trained out of the Matilda Bay shed during the winter season. All squads were together which allowed the T1 squad to provide a visual inspiration to new club members and transitioning Shenton College students. Due to COVID-19 the shed was closed for a period of five weeks. The club slowly began to re-introduce private boat users to on water training, progressing to all squads back to training with an updated training schedule. Throughout this time members were required to perform thorough cleaning of equipment after each session. Thanks to Harry Cooke for setting this up and keeping on top of this process.

Nationals training back at the Canning Bridge annex began the week of the 14th of September with private boats and some doubles and one dinghy moved to the Canning shed. For the 2021 Nationals season we have a squad of nine athletes coached by high performance coach Ethan Aird.

OFF WATER CULTURE REMAINS STRONG

The 2020 season was one of adapting for the Club. We changed our hygiene and washing practices while continuing to provide Learn 2 Row programs to the community and continued our annual fundraising efforts where possible.

Operating Safely: Changes Made During COVID

Harry Cooke was the Safety Officer for a second year and ensured the protection of all members on and off the water. He built a washing station with disinfectant for the Club to use after every training session. Overall the club did a great job adapting to all the difficulties arising from COVID. While we await a permanent solution to the deteriorating bank, we have relocated our boat washing to the grassed area adjacent to the Watersports Complex.

Fundraising & Community Activities

UWABC members achieved a lot this year despite the unpredictable nature of the season. It is evident how passionate our members are about the club and the community when reviewing the number of fundraisers and activities we completed over the short season.

Our T1 athletes fundraised for equipment and to cover the cost of attending Nationals through a sold-out Australia Day Dinner at the Boat Club and a 24-hour ergathon. These initiatives were very successful and helped reduce the costs associated with the Nationals program. These fundraisers also helped purchase new spin bikes and stroke coaches.

Due to the shutdown this year, we had one large Learn 2 Row group this year, coordinated by Ruth Dogovski, and subsequently 12 new members have joined the Novice Men's squad. They have commenced their rowing with the enthusiastic support of the Novice Men's coaches.

For the second year in a row we ran a Clean Up Australia Day event around Matilda Bay. The general public joined in with our club members to remove rubbish from the bank in time for our start of season.

Unfortunately, the Club's closure during the lockdown heavily dampened our ordinary fundraising efforts. Despite this, Harry Cooke created and sold club stickers and limited-edition stubby holders to fundraise over this time which was a huge success amongst alumni and current members.

Once the club reopened and the regatta season was updated, we hosted the Masters State Championships. Thank you to everyone who volunteered or donated, it was a huge success! No pennant points were awarded this season and UWABC won the SunSmart competition at the Club State Championships. Staying protected from the sun leading up to the regatta helped us win a new SunSmart marquee which was very useful over the weekend and will be used at regattas in the future.

To end the season our fundraising would not be complete without a Bunnings BBQ. Thank you to everyone who helped sell over 300 hotdogs at Claremont Bunnings.

Grants

Earlier this year the committee applied for a grant with the Department of Local Government, Sport and Cultural Industries and Lotterywest. Funding was made available to state-wide community organisations impacted by COVID-19 to maintain viability. Our application was successful and contributed to insurance, leases, registrations, maintenance and other fees.

Membership

Overall member numbers decreased significantly by 30% to 211. Our tertiary student numbers dropped by around 50% (both UWA and Other Universities), Shenton numbers by 16% but Ordinary member numbers remained stable.

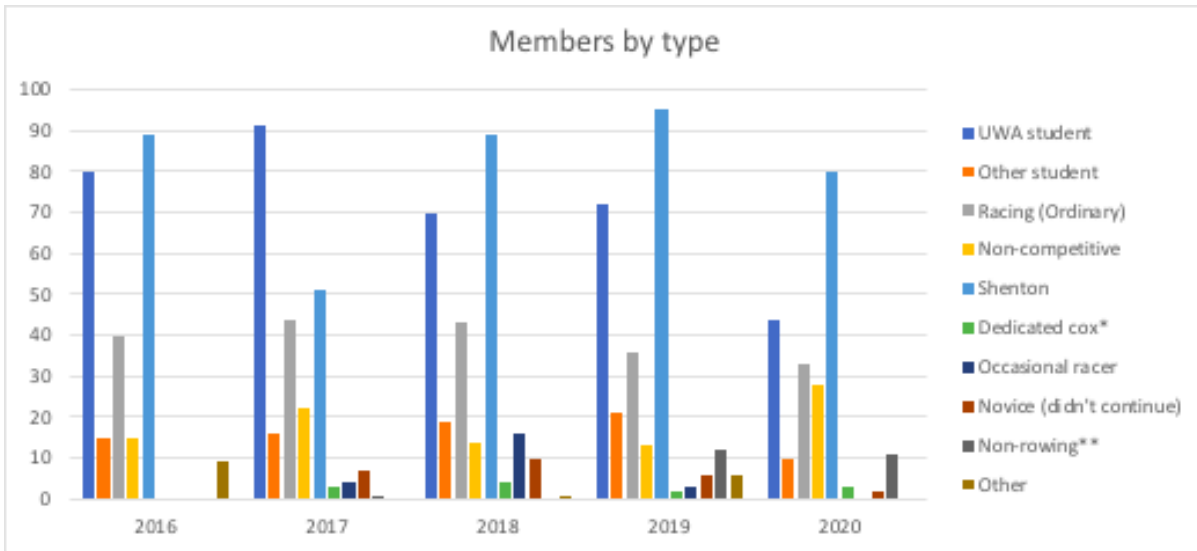

Figure 4: Spread of members by type.

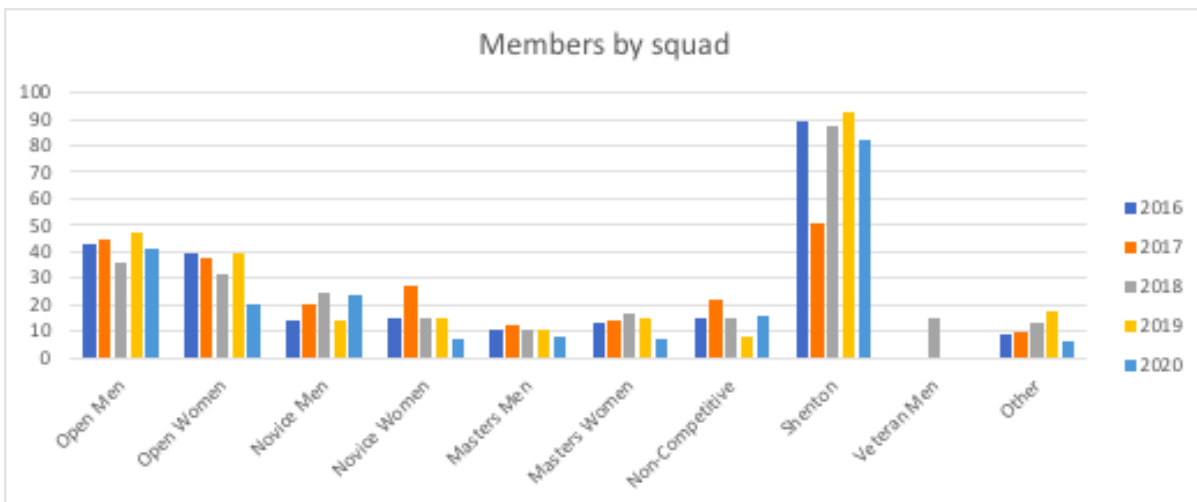

Figure 5: Membership breakdown by squad.

Social

The social year started with a successful season opener. Unfortunately, government guidelines put all further social events on hold. To keep spirits high, we set weekly challenges between squads and had breakfast together over video-conferencing software Zoom. When restrictions were eased, the infamous Bunbury regatta was re-announced, and Pub Crawl was back on. Even with a significantly shortened season, member social feedback was positive.

EQUIPMENT

At the beginning of the 2020 season we christened three boats into our fleet. These boats included two new Sykes doubles/pairs which were named the *Gwenda and Steve Kennedy* and the *Rebecca Lucas*. Additionally, we purchased a second-hand coxed quad which was named the *Rory Argyle*. This boat has been well used by all squads throughout the season.

Below is an extract of our major rowing equipment as at 30 September 2020 and rated Great, Good, Fair, Poor, or N/A (for wooden boats kept for historical purposes). Over the coming years we aim to turnover our fleet so that all members can learn to row and race with competitive equipment. We intend our next purchase to be a men's coxed eight.
